**ADVANCED BEGINNERS / CGC:** A 6 Week course developed for the dog/handler team which has completed Beginners but may not be quite ready for the Novice course/drop-in class. The CGC is a 2 part program that stresses responsible pet ownership and good manners for the dogs. The course culminates in the 10 step AKC Canine Good Citizens test.

**BEGINNING RALLY:** A 6 Week course. Rally is a sport in which the dog and handler move through a course of directional signs in a manner similar to rally Car Racing. In the course all novice rally stations will be individually taught. Handlers will learn to do the various stations correctly as well as improve their dog's performance and their handling. A Beginner Obedience Course is required.

**ADVANCED RALLY:** A 6 Week course, developed to teach the dog and handler all of the Advanced and Excellent rally stations. The handler/dog team will learn to do the various Novice/Advanced/Excellent stations correctly as a team. Novice Rally students may join this course.
