KPT: (Kindergarten Puppy Training) An 8 Week course. To begin positive conditioning for proper behavior in the home; proper socializing skills with people and other dogs; an introduction to obedience, vet exams, agility, and tricks! **8-20 weeks of age.** Includes Puppy Star certification.

KPT: (Kindergarten Puppy Training) A 6 Week course. Positive conditioning for proper behavior at home and in the world. **8-20 weeks of age.**

JR. BEGINNERS: An 8-week course to continue training the older puppy. The puppy may be too old for KPT but may not be mentally or physically mature enough for the Pre-Beginners course. Lessons will include walking on a loose leash, coming when called, down and sit, stays, tricks, socialization with other puppies, people and objects. At least 5 months old. Monday course will include the Novice Tricks title.

PRE-BEGINNERS: A 6-week course that helps dogs transition into the more formal Beginners course. This course is for young dogs that need more time to mature, rescue dogs and older dogs who need to learn some basic skills before entering Beginners. This class will review some of the Jr. Beginners exercises and introduce new skills. Dogs will learn house manners and some tricks which can be used toward the Intermediate Tricks title.

BEGINNERS: An 8 weeks course to introduce the AKC Novice obedience exercises and more formal training in heeling, stays, recalls and basic at-home manners. Some dogs may be ready at 1 year; however, check with your trainer. Young dogs and newly acquired older dogs will benefit from Pre-Beginners prior to entering Beginners.

CANINE GOOD CITIZENS / ADVANCED CGC / URBAN CGC: Earn three AKC titles in one 6 week course! BSKD is proud to offer students the opportunity to earn the CGC title, the CGCA title and the CGCU title. For those handler/dog teams wanting to pursue therapy work or those wanting a well-mannered dog, this course is a must. For more information on the requirements, go to www.AKC.org and click on the CGC program. **Beginners course or assessment by one of the instructors is required.**

RALLY: An 8 Week course. Rally is a sport in which the dog and handler move through a course of directional signs in a manner similar to rally Car Racing. In the course, all AKC rally stations will be individually taught. Handlers will learn to do the various stations correctly as well as improve their dog's performance and their handling. A Beginner Obedience Course is required.

FREE-STYLE DANCE: An 8 Week course. To teach dog and handler 20-24 basic free-style moves. Smooth transitions and combining moves will be touched on. Due to the format of this class **NO REACTIVE DOGS** will be permitted.

JR. HANDLERS: A conformation class for young handlers to learn AKC regulations and good handling techniques. Ages 8-13.

CONFORMATION HANDLING: 45 minute, 4 week course for puppies 4-8 months of age or adult dogs to learn handling skills and breed standards. Taught by AKC judges.

PRIVATE LESSONS: Available at the Center from most BSKD trainers. Check with your trainer regarding hourly fees. A \$25 per hour building rental fee if done at the Center.

RING READY: This course focuses on preparing the dog/handler team to enter the ring with confidence and consists of motivational games to keep your dog connected prior to going into the ring, entering the ring, and between exercises. These games and activities will help to build and maintain motivation while campaigning your dog in obedience. We focus on consistency and apply a balanced approach to training, teaching the "want to" AND the "have to."

BEGINNING UTILITY: This 6 week course emphasizes the importance of teaching your competitive obedience dog all of the skills from Novice through Utility at a young age. Required: Articles, gloves, dumbbell.

COMPETITION CLASSES: This 8 week course will help mold you and your canine friend into a healing machine!
